

Record of PTA Support

The PTA's fundraising supports the school in providing a range of resources that enhance our curriculum offer and ensure that our children have access to high quality opportunities.

In recent years the PTA have supported the school in the following ways:

2014-2015

- Match funding for i-pads to ensure adequate resources for whole class projects.
- Funding towards the purchase of a class set of Pocket Trumpets to enable all pupils in Year 5 and Year 6 to have weekly instrumental tuition.

2015-2016

- Funding to improve the outdoor environment in our Nursery - a local Artist came and worked with the children to design some murals which when painted were hung and now provide a stimulus for imaginative play.
- Contribution towards the cost of a Year 6 Leavers party organised by parents.

2016-2017

- Provided funding for a theatre company to come into school and perform the Pantomime 'Scroogical' which was enjoyed by all pupils in school.
- Funding for purchase of 'Blue Bots' to ensure that our youngest pupils have access to high quality equipment to develop their coding skills as part of the IT Curriculum.
